October	Pending Dates	

The inability to get range time during COVID really did a number on turn-out, as well as some difficulties with such mundane things as being able to use Barracks.

2023 has been a tough year for scheduling ranges, and it has been a challenge to find folks who will take the RSO/OIC briefing as it takes two people to requisition a range. Much has reset on to few for too long.

Recently, folks have stepped up, and we will look for free weekends in October. We are sincerely sorry for this state of affairs.
